### Owner Declaration:

As the homeowner that homesteads and occupies the property stated in this application, I hereby apply for a permit; I acknowledge that the information submitted is complete and accurate and I understand that work is not to start without a permit. I understand that the State of Minnesota requires that all residential building contractors, remodel contractors, and roof contractors obtain a state license unless they qualify for a specific exemption from the licensing requirements. By signing this document, I attest to the fact that I am building or improving this house myself. I hereby claim to be exempt from the state licensing requirements because I am not in the business of building/remodeling on speculation or for resale. Furthermore, I acknowledge that I may be hiring independent contractors to perform certain aspects of the construction or improvement of this house; I understand that some of these contractors may be required to be licensed by the State of Minnesota and that unlicensed residential contracting, remodeling, and/or roofing activity is a misdemeanor under Minnesota law. I understand that I would forfeit my rights to reimbursement from the Contractor's Recovery Fund in the event that any contractors I hire are unlicensed. I also acknowledge that I am solely and personally responsible to ensure that the work performed on this property will be in conformance with the Minnesota State Building Codes and the ordinances of the City of Maple Grove.
