INDOOR FARMERS MARKET

For Market Day—Thursday, December 15

1st & 3rd Thursdays of November and
December Hours: 3 to 6 p.m.

Last Chance to Enjoy the Scents, the Sights, and the Sounds

We'll keep this last newsletter short and sweet. It's a busy time of the year, so we appreciate your taking just a few minutes to read it and be reminded about your Indoor Farmers Market!

Set some time aside in your schedule, for a visit—12/15 is the last Market! How many places can you go that combine convenience with a homemade touch?

With a super mix of vendors, plenty of shoppers, fun activities, and of course, lots of great foods and specialty items, it's been one of the best indoor seasons ever. And, we think you'll agree that Barbara English's music has been an extra special addition.

Take advantage of the December 15th Market to stock up on items that you won't find anywhere else! Fill your freezer and your pantry for the holidays and beyond. Keep in mind it's a long haul from December 15th to June 14th when the 2012 outdoor market opens.

With very best wishes for a happy holiday season and good health and good luck in the new year!
