Route 789 Detour

Since September 2011, the Route 789 service to the University of Minnesota has been operating under a route detour that also affected the trip times. The detour is due to the light rail line construction and is expected to be in place until 2014. Below is the detour trip schedule and the map of the detour routing in the U of M area. Please note that Ridder Arena is the last inbound/a.m. bus stop and no stops are made in downtown Minneapolis. If you have any questions, please contact the Transit Administrator at: transit@ci.maple-grove.mn.us or 763-494-6005.

Note: Route 789 does not operate during the break between Fall and Spring Semester nor during the May/Summer term.
